REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The Marlboro County School of Discovery continued to excel during the 2011-2012 school year in both the arts and academic realms. This year the school earned an A+ rating (99.2) from the federal government's ESEA Waiver Accountability System. Based on 2012 PASS scores the school earned the Palmetto Silver Awards for general academic achievement for closing the achievement gap.

This year, the school had two students recognized as South Carolina Junior Scholars. We also had twenty-three students inducted into the Junior Beta Club. For the fifth year, the School of Discovery had an Academic Challenge Team that represented the school admirably. Two-thirds of the student body met or exceeded their target growth scores on the MAP tests or else scored at the 80th national percentile or higher.

The Discovery Singers and New Voices competed in a multi-state choral competition in Myrtle Beach and also competed at Carowinds and earned top ratings at both. Three Discovery band students were also selected via audition for participation in the Region Five State Honors Band. Another business partner came on board with our school during the year.

This year the school continued tenants of Positive Behavioral Interventions and Supports (PBIS). The focus of PBIS is on recognizing and rewarding students for positive behavior. This program helped encourage and motivate our students to consistently demonstrate good behavior, and the students enjoyed the numerous incentives provided for them during the year.

High expectations are the norm at the Marlboro School of Discovery, and those high expectations continue to translate into positive results. There is an equation familiar to many educators that sums up the core of our philosophy at Discovery: Expectation + Concentration = Manifestation. By coupling high expectations with rigorous instructional concentration, Discovery continues to celebrate student academic growth manifested in desirable achievement results.
